

Tuscarawas Central Catholic Tuition Rates and Fees 2018-19

Tuition rates for the 2018-19 school year are listed below.

Our actual per student cost for the 2018-19 school year will be approximately \$5,150. However, thanks to the generosity of the local churches and our donors, we are able to maintain tuition rates far below that amount. ***The cost of a Catholic education is a priceless investment in the future of our children.***

The Tuscarawas County Catholic Schools have created a consolidated tuition structure that provides multiple child discounts regardless of where the children are enrolled. For **participating parish members**, the oldest child will be charged the first child tuition fee at that particular school. Second, third, and fourth child tuition rates will be applied for the other siblings in the family, regardless of the school they are attending. Multiple child discounts do not apply to the pre-school and pre-kindergarten programs.
